

LOTUS, Ltd.

North America's Largest Lotus Car Club

Lotus, Ltd. is the largest club for Lotus car enthusiasts in the United States. The club is an entirely non-profit, volunteer organization, and we have been serving the interests of Lotus enthusiasts since 1973.

Our bimonthly magazine, *Lotus reMarque*, publishes articles on Lotus cars and activities, interviews with Lotus personalities, technical articles on maintaining Lotus cars, classified ads, information about our affiliated local groups and activities, including our annual Lotus Owners Gathering. As a member, you will receive a membership roster, a membership card, a windshield sticker, and other information when you initially join.

Best of all, you will be plugged into a nationwide network of Lotus enthusiasts who are willing to share their considerable experience. If you have a repair problem or a question on parts, a call to your designated car rep or a member of the club's telephone assistance network will get you help. So join the club that is dedicated to you -- the Lotus enthusiast.

Please also visit our website www.lotuscarclub.org for additional information.
