

LOTUS, Ltd.

North America's Largest Lotus Car Club

Lotus, Ltd. is the largest club for Lotus car enthusiasts in North America. The club is an entirely non-profit, volunteer organization. We have been actively engaged in promoting the enjoyment of Lotus car ownership and fellowship of members since our inception in 1973.

Our bimonthly magazine, Lotus reMarque, publishes articles on Lotus cars and activities, interviews with Lotus personalities, classified ads, information about our local groups and activities, including our annual Lotus Owners Gathering.

Best of all, you will be connected to a nationwide network of Lotus owners and enthusiasts who are willing to share their considerable experience.

For additional information and benefits, please visit our club website www.lotuscarclub.org.
